PETITION TO REVIVE UNINTENTIONALLY ABANDONED PATENT
APPLICATION UNDER 37 CFR §1.137(B)

Office of Petitions
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicants hereby petition to revive the above-identified patent application which was unintentionally abandoned for failure to respond to a Final Office Action of January 24, 2008 by filing a Request for Continued Examination ("RCE") or a Notice of Appeal, following submission of a Reply After Final on June 18, 2008. Filed concurrently herewith is an RCE, responsive to an Advisory Action of October 8, 2008, requesting consideration of the Reply After Final and entry of the claim amendments set forth therein.

The entire delay from the due date of the Reply After Final until the filing of this petition was unintentional.

Respectfully submitted,

Dated: 24-OCT-2008
